

## **About Us**

Jadestone Energy is an independent oil and gas company focused on the Asia Pacific region. It has a balanced, low risk, full cycle portfolio of development, production and exploration assets in Australia, Vietnam and the Philippines. Led by an experienced management team with a track record of delivery, who were core to the successful growth of Talisman's Asia Pacific business, the Company is pursuing an acquisition strategy focused on growth and creating value through identifying, acquiring, developing and operating assets in select upstream oil & gas basins in the Asia Pacific region.

Jadestone Energy is headquartered in Singapore, has its principal technical team in Kuala Lumpur and country operational offices in Perth, Jakarta, and Ho Chi Minh City.

**Jadestone Energy is listed on the TSX Venture Exchange (TSXV: "JSE") and on AIM (AIM: "JSE").**

## **Operations**

- Jadestone is the 100% owner and operator of the producing Montara oil project, and the Stag oilfield, offshore Australia. Both are oil producing fields with further development and exploration potential.
- The Company has a 100% operated working interest (subject to registration of PVEP's withdrawal) in two gas development blocks in Southwest Vietnam containing three discovered gas fields, and is planning for formal development sanction later this year.
- Jadestone plans to build its asset portfolio through the acquisition of producing assets and/or discovered resources, where there are significant opportunities for operating efficiencies, cost reduction and increased production through further investment.

## **Who are we looking for?**

- Individuals who are passionate, enthusiastic and provide critical expertise to drive Jadestone Energy's growth, strategy and value generation. As a company with its core operations spanning the Asia Pacific region, it is important that all our employees are culturally sensitive and respectful of others.
- Jadestone Energy is also committed to reducing our environmental footprint whilst bringing the social and economic benefits of our industry to the countries in which we operate. Employees are expected to value this commitment whilst always delivering safe and efficient operations across assets, cultures and geographies.

## **What we offer:**

- An exciting and highly nimble work environment where employees will collaborate with a diverse international team who will encourage them to learn, grow, challenge themselves and show their entrepreneurial spirit.
- At Jadestone Energy, you will join a company with a leadership team that has a proven industry track record of success. Jadestone Energy is a new and exciting company, with a pioneering spirit where individuals can truly make a difference and flourish.
