

Montara inspection and repair programme

November 2022

Disclaimer & advisories

You must read the following before continuing. The following applies to this document, the presentation of the information in this document any question-and-answer session that may follow, and any additional documents handed out at the presentation (collectively, the "Presentation"). In viewing the Presentation, you agree to be bound by the following terms and conditions and you represent that you are able to view this Presentation without contravention of any legal or regulatory restrictions applicable to you.

Jadestone Energy plc (the "Company" or "Jadestone") has issued this presentation and has provided the information in the Presentation, which it does not purport to be comprehensive and which has not been fully verified by the Company, or any of its employees, shareholders, directors, advisers, agents or affiliates. Neither the Company nor any of its shareholders, directors, officers, agents, employees or advisors give, have given or have authority to give, any representations or warranties (express or implied) as to, or in relation to, the accuracy, reliability or completeness of the information in this Presentation, or any revision thereof, or of any other written or oral information made or to be made available to any interested party or its advisers (all such information being referred to as "Information") and liability therefore is expressly disclaimed to the fullest extent permitted by applicable law. Accordingly, neither the Company, nor any of its shareholders, directors, officers, agents, employees or advisers take any responsibility for, or will accept any liability whether direct or indirect, express or implied, contractual, tortious, statutory or otherwise, in respect of, the fairness, accuracy, reliability, completeness or correctness of the Information or for any of the opinions contained herein or for any errors, omissions or misstatements (negligent or otherwise) or for any other communication, written or otherwise, made to anyone in, or supplied with, the Presentation to the fullest extent permitted by applicable law.

This Presentation is for information purposes only and should not be considered as the giving of investment, tax, legal or other advice or recommendation by the Company, or by any of its respective shareholders, directors, officers, agents, employees or advisers. In particular, this Presentation does not constitute or form part of any invitation or inducement to engage in any investment activity nor shall it form a recommendation or inducement to or form part of any offer or invitation to sell or issue, or any solicitation of any offer to purchase or subscribe for any securities or any business or assets of the Company described herein in the United Kingdom, the United States of America ("United States") or any other jurisdiction. Neither this Presentation nor anything contained herein shall form the basis of, or be relied in any connection with, any contract or investment decision or any commitment whatsoever. The reader must make its own independent assessment of the Company after making such investigations and taking such advice as may be deemed necessary. In particular, no representation or warranty is given as to the achievement or reasonableness of any future projections, management estimates, prospects or returns and any estimates or projections or opinions contained herein necessarily involve significant elements of subjective judgment, analysis and assumptions and each recipient should satisfy itself in relation to such matters. Accordingly, neither the Company nor its shareholders, directors, advisers, agents or affiliates shall be liable for any direct, indirect or consequential loss or damage suffered by any person as a result of relying on any statement or omission in, or supplied with, the Presentation or in any future communications in connection with the Company to the fullest extent permitted by applicable law.

The information in the Presentation is made as of the date hereof and the Company undertakes no obligation to provide the reader with access to any additional information or to correct any inaccuracies herein which may become apparent save as may be required by applicable law or the AIM Rules for Companies. This Presentation may not, except in compliance with any applicable exemption under applicable securities law, be taken or transmitted into any jurisdiction or distributed to any person resident in any jurisdiction. The distribution of this Presentation in or to persons in a jurisdiction may be restricted by law and persons into whose possession this Presentation comes should inform themselves about, and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the laws of the relevant jurisdiction. Statements contained in the Presentation describing documents and agreements are surmises only and such surmises are qualified in their entirety by reference to such documents and agreements.

The content of the Presentation has not been approved by an authorised person within the meaning of the Financial Services and Markets Act 2000, as amended ("FSMA"). Reliance on the Presentation for the purpose of engaging in any investment activity may expose an individual to a significant risk of losing all of the property or other assets invested. Any person who is in any doubt about the subject matter to which the Presentation relates should consult a person duly authorised for the purposes of FSMA who specialises in the acquisition of shares and other securities

Forward looking statements and information

This announcement may contain certain forward-looking statements with respect to the Company's expectations and plans, strategy, management's objectives, future performance, production, reserves, costs, revenues and other trend information. These statements are made by the Company in good faith based on the information available at the time of this Presentation, but such statements should be treated with caution due to inherent risks and uncertainties. These statements and forecasts involve risk and uncertainty because they relate to events and depend upon circumstances that may occur in the future. There are a number of factors which could cause actual results or developments to differ materially from those expressed or implied by these forward-looking statements and forecasts. The statements have been made with reference to forecast price changes, economic conditions and the current regulatory environment. Nothing in this Presentation should be construed as a profit forecast. Past share performance cannot be relied upon as a guide to future performance. The Company does not assume any obligation to publicly update the information, except as may be required pursuant to applicable laws.

Oil, natural gas and natural gas liquids information

The oil, natural gas and natural gas liquids information in this Presentation has been prepared in accordance with the Society of Petroleum Engineers, World Petroleum Congress, American Association of Petroleum Geologists and Society of Petroleum Evaluation Engineers Petroleum Resource Management System ("PRMS").

A. Shahbaz Sikandar of Jadestone Energy plc, Group Subsurface Manager with a Masters degree in Petroleum Engineering, and who is a member of the Society of Petroleum Engineers and has worked in the energy industry for more than 25 years, has read and approved the technical disclosure in this presentation.

Presentation

Certain figures contained in this Presentation, including financial and oil and gas information, have been subject to rounding adjustments. Accordingly, in certain instances, the sum or percentage change of the numbers contained in the Presentation may not conform exactly with the total figure given. All currency is expressed in US dollars unless otherwise directed. This document has been prepared in compliance with English Law and English courts will have exclusive jurisdiction over any disputes arising from or connected with this document.
